

auditing objective type questions pdf

In the Church of Scientology, auditing is a process wherein the auditor takes an individual, known as a "preclear", through times in their life and gets rid of any hold negative situations have on them.

Auditing (Scientology) - Wikipedia

Continuous auditing is an automatic method used to perform auditing activities, such as control and risk assessments, on a more frequent basis. Technology plays a key role in continuous audit activities by helping to automate the identification of exceptions or anomalies, analyze patterns within the digits of key numeric fields, review trends ...
